Reaching 100,000 Kiwi's for Christ this year!

The vision for Kiwitracts in 2007 is to reach at least 100,000 Kiwi's with the Gospel message. The Bible clearly teaches that if we sow we will reap so it's with this promise that we are hoping to launch outreaches at various High Schools throughout the country. The focus on High School students is a strategic one as they are generally more

open to the message and also represent the future of our country. To get to them while they are still young and open is a priority.

New DVD footage

Matt Old and Darren Green have been busy filming for a new DVD that will teach Christians how to share the Gospel. It focuses on 'The Test' tract as a one on one evangelism tool and shows plenty of live footage from on the street evangelism encounters.

Meeting with Bill Subritzky

In April Matt is heading to Tonga to look at starting another agency for Gospel Outreach International. After reading through Bill Subritzky's biography Matt noticed that Bill had close ties to the Tongan Royal family and so called him for an appointment. Very graciously Bill made a time to meet with Matt and offered some great insights, advice, prayer and contacts for Tonga. Thanks Bill!

Partnership Opportunities

To help make the above vision (100,000 Kiwi's reached with the Gospel this year) a reality we need help and are prayerfully asking you to consider the following opportunities:

- **Sponsor a school outreach:** We are looking to target a variety of schools with tracts and E-cards. We want to give you the opportunity to sponsor the resources distributed at a particular school (maybe the one you attended or where your children attend?). A school of 1000 students would cost \$150 approx.
- **Support a full-time worker:** We need to find funding to support a full-time worker who can visit churches, teach seminars, mentor evangelists etc. We are budgeting for \$500 a week. If you are able to contribute to this please see below*.
- **Tract distributors:** We are in need of willing tract/e-card distributors. If you have some spare time in the afternoon (3-4) and would like to take part in distributing the Gospel to High School students please contact us.

*If any of the above opportunities interest you or if you are wanting to partner with us in our vision of reaching 100,000 Kiwi's for Christ this year please phone ASB bank on 0800 803 804, give them our account name and account number: The Kiwi Tract Charitable Trust, 12 3072 0643068 00 and tell them how much you would like to give (a one off

amount or ongoing A/P). They can set up the payment over the phone. If you have any questions please contact us on kiwitracts@clear.net.nz.
