## Well known Kiwi's reached by 'Kiwitracts' tracts

Over the years God has opened up opportunities for the ministry to reach out to a number of New Zealand's most famous/infamous citizens. Over the next few months we will highlight some of them:

**Hamish Carter: Olympic Gold medallist was recently given 'The Test' tract at a petrol station in Mt Eden.**

**Clint Rickards (infamous police chief) was given 'The Test' tract at a rugby game in Auckland**

**Sir Brian Lochore: The All Black great was handed a tract in Fiji in 2005.**

**Craig Norgate: Former head of Fonterra was given 'The Test' tract at a rugby game in Auckland.**

**Chris Jack: Current All Black received 'The Test' tract at Auckland airport.**

Please pray for these guys as they have plenty of potential for the Kingdom of God!

## **Closing in on 1,000,000 resources!**

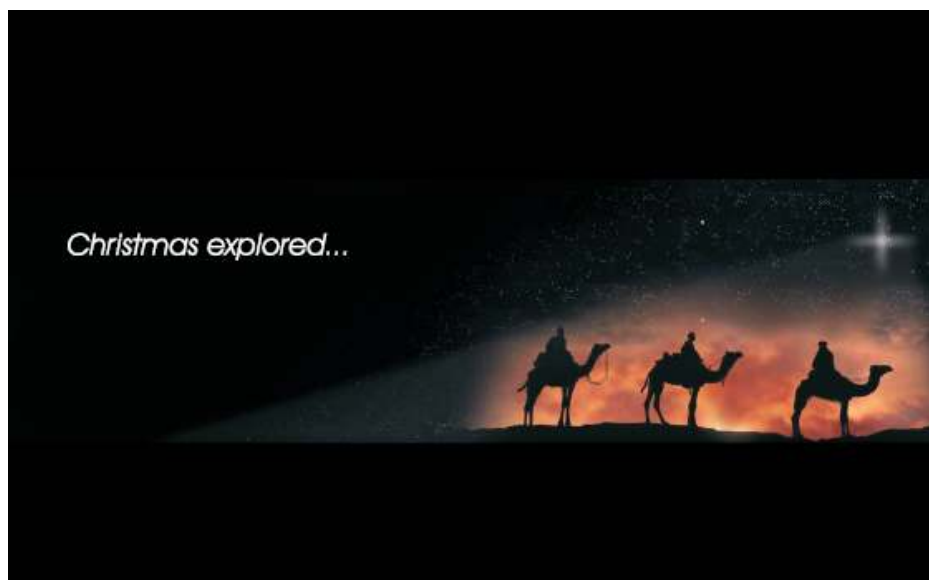

Kiwitracts has now produced over 870,000 resources for the Christian community in NZ and overseas. Our belief in the principal of sowing and reaping means we are constantly looking for more opportunities to get the seed of the Gospel out into the world. Over the next 3 months we are looking to produce another 150,000 resources which will take us over the 1,000,000 mark. Please pray that there will be many more opportunities for the ministry to reach the lost with the Gospel message.

### **5000 Tracts sent to Fiji**

We recently sent another 5000 tracts over to Fiji. They will be distributed by a mission team from Northcote Baptist Church and also a mission worker living in Fiji. In the last 5 years the Kiwitracts ministry has been able to send well over 50,000 tracts to Fiji. Please pray that these resources will continue to be used by God to convict, challenge and save many local Fijians and Fijian Indians.

### **New Christmas Card Tract**

A new Christmas card tract will be available shortly. We are still working on the design. Below is one of the current options...please feel free to offer feedback:

### **Website getting updated**

Over the next few months the Gospel Outreach International website ([www.gospel-outreach.org](http://www.gospel-outreach.org)) will be getting updated. It is hoped that this will make the site more user friendly and effective in promoting the resources and training Christians to evangelise.

## Book Update

'Fuelling the Fire' is in the editing phase at the moment and should be available before the end of the year. We are looking to print 500 initially. If you are able to help with editing please e-mail us at [kiwitracts@clear.net.nz](mailto:kiwitracts@clear.net.nz). We can send you as little or as much as you like. Once most of the mistakes have been fixed it will be sent to a professional editor to be finalised and then off to the printer.

## Prayer Requests

- Please pray for more editors to help with the punctuation, spelling and translation of the old English in some of the articles in the book.
- Please pray that there will be no major problems with the printing of the book and it will turn out as expected.
- Pray that the book will be a great source of encouragement, challenge and inspiration to others.
- That God will continue to work through the resources to save people.
- God's wisdom as the ministry continues to expand
- Strength to take on the many challenges that arise
- Protection from the attacks of the enemy
- Provision for ongoing expenses
- More willing labourers to help in the work
