## The Kiwi Tract Charitable Trust

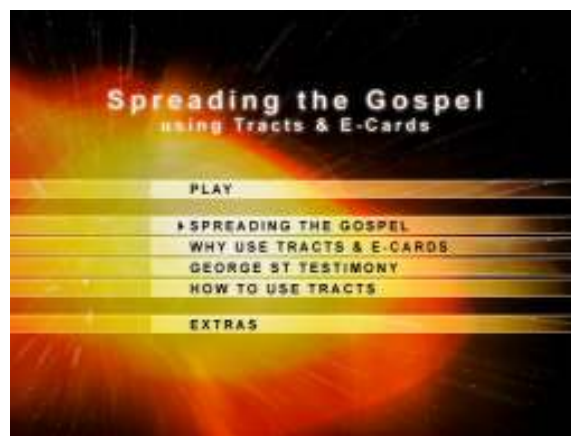

Newsletter 2, July/August 2006

### **First DVD produced**

Over the last few months a DVD has been produced promoting the use of tracts and E-cards. It includes the following:

- Why we should use tracts (8 reasons)
- How we can use tracts including live footage.
- Two fantastic tract testimonies ('George St' and 'The Last Tract')
- Various bonus features

This is the first of what we hope will be a series of DVD's on spreading the Gospel. The second will include footage from various evangelistic situations to help equip and encourage Christians to share their faith more effectively. If you would like to order the first DVD please e-mail us at [kiwitracts@clear.net.nz](mailto:kiwitracts@clear.net.nz). They are \$10 each plus p&p.

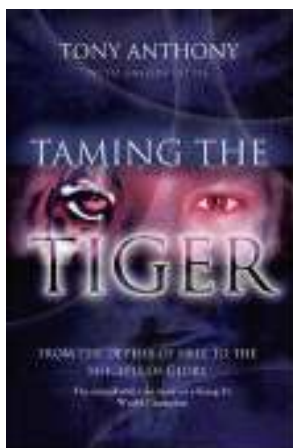

### **Overseas Christian Fellowship meeting**

Matthew was asked to speak to about 60 students from the Overseas Christian Fellowship at Auckland University. He shared his testimony and then spoke from 2 Tim 4:5 "do the work of an evangelist" and gave them 5 keys to help them to be faithful to the task of evangelism (Pray, Prepare, Practice, Preach, Persevere). It was well received and apparently 30 of them turned up for a training seminar the next day...Praise God!!

## **New Zealand tour approaching**

From August 21 through to October 9 Matt will be touring New Zealand with Tony Anthony and Julian Batchelor. Julian is a well known New Zealand evangelist who started Operation Jerusalem in New Zealand and now heads Proclaim the Gospel International. Tony Anthony is a 3x World Kung Fu Champion who is in NZ to share his testimony. A best selling book has been written about his life. It's called 'Taming the Tiger' and is out now in bookshops around the world.

The tour has a number of key goals. The first is for Tony to impact as many people as possible with his testimony. The second is to help equip and train local Christians to share the Gospel. This is where we (Kiwitracts) will come in with teaching on the use of tracts and E-cards. Our new DVD, tracts and E-cards will be available for people to purchase. It should be a fantastic opportunity. For more information about the tour go to <http://pages.quicksilver.net.nz/noel/ta0602.html>.

## **New tract designs and brochure**

A number of the tracts have been re-worked and Bryson Cole has helped upgrade the designs. He has also designed a new full colour brochure we produced which tells people what we do as a ministry (tracts, one-on-one evangelism, open-air, websites etc) and how we can help equip them for evangelism. These will be available by the 20<sup>th</sup> August.

### **Help needed**

As part of the NZ tour we will be going into a number of schools and taking part in large outreaches. We would like to give out tracts and cards for free at these events and are looking for people to sponsor them. We are budgeting for about \$1000. If you would like to make a contribution to help us cover this cost please send an e-mail to: [kiwitracts@clear.net.nz](mailto:kiwitracts@clear.net.nz)

### **Thanks for your support**

Thanks again to those of you who are supporting the work through your prayers and finances. We really appreciate it.

Blessings

The Kiwi Tract Charitable Trust
