Overseas Resources in demand

Demand for our overseas resources is continuing with 20,000 tracts recently printed for Tonga, Fiji and Australia.

Websites updated

Both the Kiwittracts website (www.kiwittracts.co.nz) and the Gospel Outreach International website (www.gospel-outreach.org) are still in the process of being updated with more training videos to be uploaded in the future. These sites will continue to be improved with the goal being to help equip and resource Christians to communicate the Gospel message to the lost.

Prayer Requests

- More opportunities to get the resources out into the world
- God's wisdom as the ministry continues to expand

- Protection from the attacks of the enemy
