"Let us not glide through this world and then slip quietly into heaven, without having blown the trumpet loud and long for our Redeemer, Jesus Christ. Let us see to it that the devil will hold a thanksgiving service in hell, when he gets the news of our departure from the field of battle" ~ C. T. Studd

# GO Tonga

Gospel Outreach International will be launching it's first overseas mission team in July this year. For more information please contact Matt on 021890030 or e-mail: [info@gospel-outreach.org](mailto:info@gospel-outreach.org)

## **Our Purpose:**

We exist to help resource and equip Christians to spread the Gospel of Jesus Christ to all people everywhere.

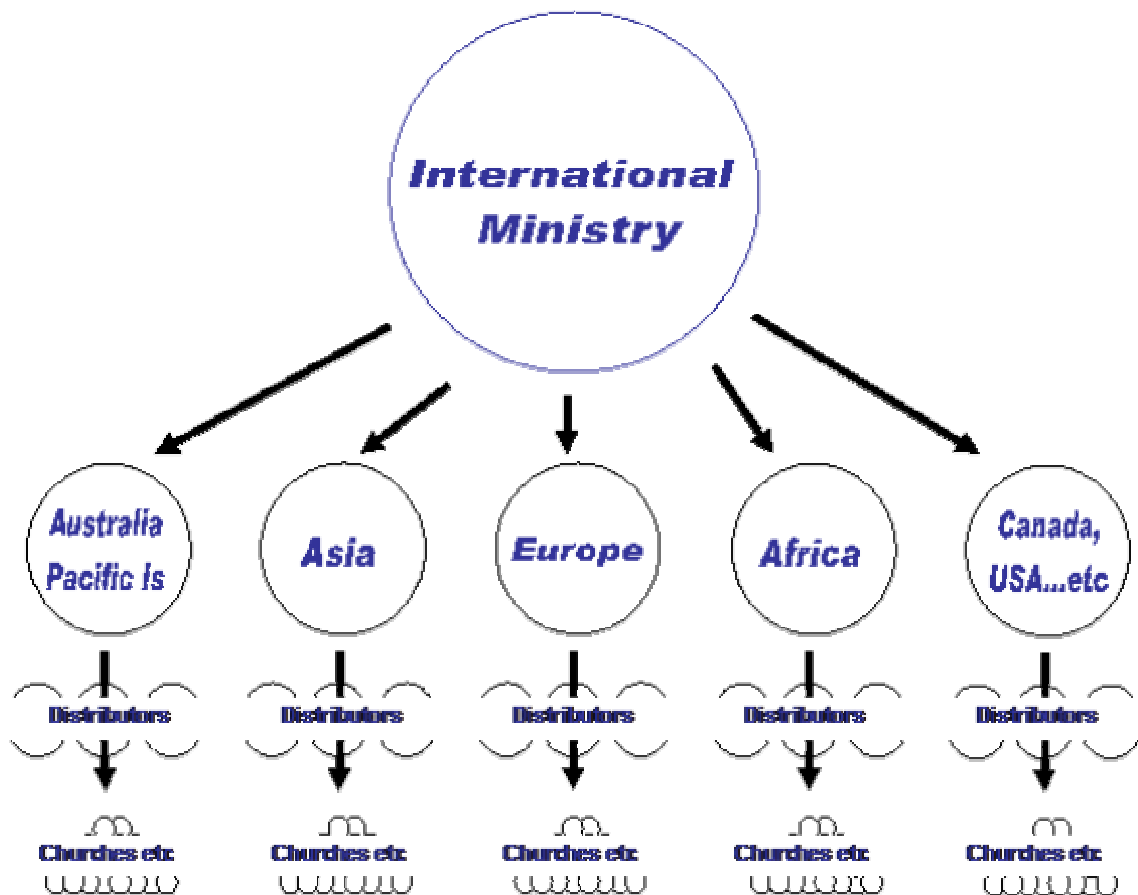

## **Our Strategy:**

### **Local Ministry: Kiwittracts**

1. NZ is divided into 17 regions
2. The resources and training are promoted to churches, leaders, mission agencies and individuals throughout the country via e-mail, radio, word of mouth, advertising... all means available.
3. Those who place consistent orders and want to reach their area with the Gospel are given the opportunity of becoming a distributor by purchasing a distributor pack. They are offered ongoing discounts on resources.
4. Distributors are responsible for further promoting the work and raising up new workers. The focus is on saturating their immediate area with the Gospel through letterbox drops, one on one evangelism, flip charts, multi-media presentations etc. The goal is that everyone in their immediate area receives the Gospel message.
5. Those who prove themselves as distributors will be offered regions to oversee with the goal of raising up more distributors in the region.
6. All distributors and regional leaders are to help promote upcoming overseas mission trips and find people who want to take part in them.

## International Ministry: Gospel Outreach International

The strategy for setting up the ministry in different countries is as follows:

1. GO International will send a representative to a target country to meet with local leaders and share the vision of sending an evangelism team over to work with them. Accommodation, food, ministry opportunities etc will be arranged.
2. Once the details for the trip are organised a promotion will begin around NZ and new recruits found for the trip.
3. The group will then be trained to use various evangelism approaches, given an overview of the culture they are going into and the goals of the trip. When the training is finished they will be sent out.
4. The team will work with the locals to spread the Gospel message to as many people as possible during their time overseas.
5. GO International will look to find key people in the new country who would like to take on the vision of raising up distributors and sending out teams themselves. They would invest in those people to further the vision.

## Overseas Demand Continues

**The UK 'Test' tract**

Demand for our overseas resources is continuing with 5,000 of the UK 'The Test' tract ordered by Operation Mobilisation in England. This connection has enormous potential as OM is operating in over 100 countries around the world.

So far we have produced and sold resources for the following nationalities:

Australia:	20,000+
Fiji:	50,000 approx
Tonga:	10,000
Samoa:	25,000
Russia:	10,000
United Kingdom:	5,000+

This is an exciting start but there are now resources available for over 140 countries. Please pray that more doors will open for us to distribute these resources around the world.

### Financial Partners

Since the Kiwi Tract Charitable Trust is a faith ministry we rely primarily on the generosity of God's people to keep going. So far we have received enough funding to purchase a variety of equipment and resources (laptop, data-projector, video camera, over 1,000,000 cards and tracts etc) and for this we are very grateful. However, we are still in desperate need of consistent funds coming in to cover day to day expenses and costs.

We are asking for people to partner with us financially:

The following are some of the options:

1. Sign up for an A/P to offer the ministry ongoing support: This will enable us to cover our day to day expenses and expand as an organisation. Some of the expenses include wages, printing, stationary, website development and maintenance, travel, DVD and CD production, etc. To take up this option please fill in an A/P form and submit it to your bank with our account details 12 3072 0643068

00 or contact us by e-mail at [kiwittracts@clear.net.nz](mailto:kiwittracts@clear.net.nz) for more information. Our goal is to have 100 people giving \$20 per week.

2. Give a one off gift to cover a specific ministry expense...

- a. Overseas missions: \$9000 approx
- b. Car expenses (petrol, mileage etc): \$4000 approx
- c. Tracts and other outreach resources. For each 2 week mission trip this would be about \$2000 for 20,000+ tracts, booklets and the cost of shipping.
- d. A kit for each mission team member to Tonga (\$100 per person x10 in the team...\$1000 total to cover 2 shirts, cap and gear bag with GO International logos)
- e. Sports equipment to give away to kids in Tonga (\$500 to cover rugby balls etc)
- f. Memory stick, power pack for laptop, embroidery, Northland acc: \$200 approx
- g. Consultation about structure of the ministry: \$200
- h. Mobile phone for 9 months: \$244

We are registered as a charity with tax exempt status so any donations are tax deductible.

Our account details are as follows: ASB Bank: 12 3072 0643068 00

Any support will be greatly appreciated.

### **Websites updated**

Both the Kiwittracts website ([www.kiwittracts.co.nz](http://www.kiwittracts.co.nz)) and the Gospel Outreach International website ([www.gospel-outreach.org](http://www.gospel-outreach.org)) are still in the process of being updated with more training videos to be uploaded in the future. These sites will continue to be improved with the goal being to help equip and resource Christians to communicate the Gospel message to the lost.

### **Prayer Requests**

- That God will prompt people to join the GO Tonga team
- That God will continue to work through the resources to save people
- More opportunities will open to get the resources out into the world
- God's wisdom as the ministry continues to expand
- Strength to take on the many challenges that arise
- Protection from the attacks of the enemy

- Provision for ongoing expenses
- More willing labourers to help in the work
