"Let us not glide through this world and then slip quietly into heaven, without having blown the trumpet loud and long for our Redeemer, Jesus Christ. Let us see to it that the devil will hold a thanksgiving service in hell, when he gets the news of our departure from the field of battle" ~ C. T. Studd

Taveuni, Fiji Outreach

Darren, Pastor Dodo and Matt with the new Gospel flip chart for Fiji

One of the schools we shared with.

Matt was recently asked to help with an outreach in Taveuni, Fiji.

"Having previously spent 3 months working with Darren Green in Labasa it was a good chance to re-connect with the work in that part of the world and team up with Darren and Pastor Dodo again."

"God once again opened many doors for us and we were able to get into every school we wanted to with only one exception (a Catholic school that we eventually managed to get tracts into anyway). The presentation we offered the students included a goal setting and motivational talk, a Gospel presentation and a puppet show. In total we spoke to about 2000 students and teachers. We also preached in a couple of churches and Darren met with Pastors, distributed Bibles and some other useful resources to the needy."

"After we had finished the work in Taveuni I had a couple of days in Suva and Nadi. I met with the Principal of the AOG Bible College in Suva who was very interested in the Gospel Outreach resources and is looking to get a number for his students to use. He also arranged an appointment for me to meet with the AOG leader for the South Pacific region who was based in Nadi (Jerry Jacobs). He was also very enthusiastic and wants to get the resources out to a number of countries in the South Pacific (GO International now has resources for 16 countries in the South Pacific region). Please pray that these great opportunities will come to fruition and that the seed sown and resources distributed in Taveuni will bear much fruit."

Hamilton V8's Outreach

This was a great opportunity to share the Gospel with the many thousands who attended over the weekend. Kiwitracts provided 5000 of the 'Are you on the right road?' tracts for the outreach and it was great to work alongside other evangelists from various ministries like Open Air Campaigners and Evangelism Explosion.

New Resources available

One of the new tracts produced for the farming Field Days down south (10,000 have been ordered)

'The Test' picture laminated booklet. So far 'The Test' tract has been translated into about 14 languages. In total there are 3 tract versions, 1 booklet, 2 cards, 2 laminated versions, a flip chart and a power point presentation of 'The Test' now available. Praise God for His ideas and inspiration!

More work has been done to put together a greater range of practical one on one evangelism tools. The latest version of 'The Test' is a simple laminated version which uses pictures. These will be ideal in poorer countries where the local people can't afford to keep using printed tracts. The laminated booklet can be re-used many times which will cut costs and give local evangelists an effective tool to share the Gospel.
