Newsletter 25

### Greetings!

Thank you again for your interest in the ministry of Gospel Outreach NZ. In this newsletter I've included some more material that I've found very encouraging over the years and i hope you get as much out of it as i did. Please pray for this work as God continues to open doors of opportunity for us. To find out more about the ministry please visit our NZ website [www.kiwitracts.co.nz](http://www.kiwitracts.co.nz) or our international website [www.gospel-outreach.org](http://www.gospel-outreach.org).

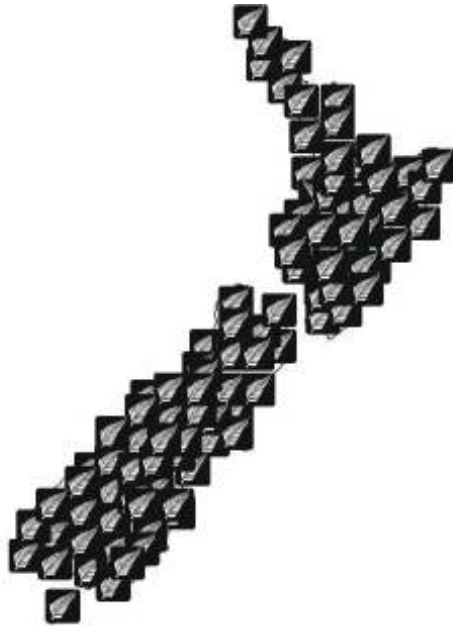

Blessings, Matt (Founder/Director)

### Meeting with George Verwer (Founder of Operation Mobilisation)

**George Verwer was recently in NZ on a very brief stop over. George is the founder of OM which has over 5400 missionaries working in over 110 countries around the world. He still travels relentlessly and is a living legend in Christian missions. After meeting George a number of times over the years Matt was invited to attend a dinner with him while he was in the country. Please pray for George and the ongoing work of OM around the world. George's new website is packed with encouraging messages, information about world missions and how you can be involved. To go to this site please visit [www.georgeverwer.com](http://www.georgeverwer.com).**

## New Distributors

**As part of our goal of saturating NZ with the Gospel message we have been looking for more people to join us as distributors. So far we have 20 people set up in 7 regions around the country. This is an exciting start but we are praying for more workers to be raised up. If you want to find out more about becoming a distributor please [click here](#).**

## Halloween Explored Cards

Our new Halloween Cards are now available and orders have already started to roll in. The cards begin with some interesting trivia about Halloween and then transition into a clear Gospel message. To view the contents of the card please [click here](#).

## Great quotes from CT Studd

(Famous Missionary to China, India and Africa)

"Some wish to live within the sound  
Of Church or Chapel Bell.  
I want to run a rescue shop  
within a yard of Hell."

"Let us not glide through this world and then slip quietly into heaven,  
without having blown the trumpet loud and long for our Redeemer,  
Jesus Christ. Let us see to it that the devil will hold a thanksgiving  
service in hell, when he gets the news of our departure from the field  
of battle."

**CT Studd once received a challenging letter from an athiest. It is very hard hitting and will get you fired up to share your faith with others. To read this letter please [click here](#).**

### **Fantastic 9 minute testimony!**

This testimony was one of the catalysts for this ministry. There is a book out that varies from this testimony but it is still an incredible account of what God can do with one persons faithfulness. Why couldn't you have a testimony at the end of your life like this man's? 1 Cor 15:58, Gal 6:9
