Greetings!

Thank you again for your interest in the ministry of Gospel Outreach. Please pray for this work as God continues to open doors of opportunity for us. To find out more about the ministry please visit our NZ website www.kiwitracts.co.nz or our international website www.gospel-outreach.org.

Blessings, Matt (Founder/Director)

More Kiwi's reached with the Gospel

The ministry continues to reach out to many thousands of NZers. Over the last month alone we have distributed/sold well over 20,000 evangelism resources and shared the Gospel personally with many others. Matt recently met up with John Key while he was on the campaign trail in Christchurch. He was able to give him 'The

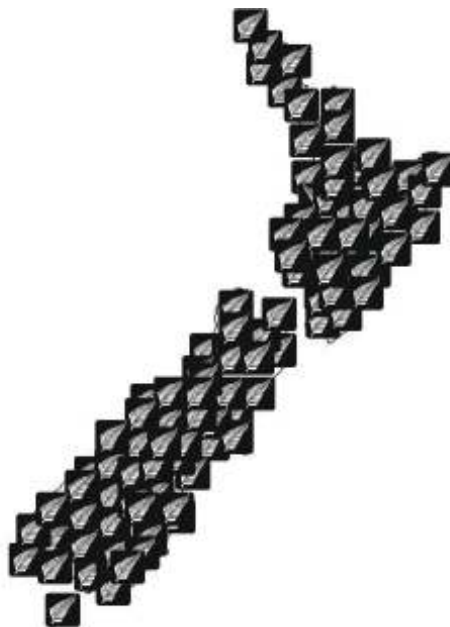

Test' booklet which he happily took. Praise God for His providence and pray that John Key will have a look through the booklet.

Christmas Resources Proving Popular

Our Christmas resources have been flying out the door with over 11,000 already sent out. This is an incredible start considering there is almost a month to go before Christmas. We have almost sold out of the Christmas Explored cards and may have to do a large print run. To view the contents of the card please [click here](#).

More New Distributors

As part of our goal of saturating NZ with the Gospel message we have been looking for more people to join us as distributors. So far we have 24 people set up in 7 regions around the country. This is an exciting start but we are praying for more workers to be raised up. If you want to find out more about becoming a distributor please [click here](#).

Thanks again for your continued support
